RESPONSE TO TELEPHONIC INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants gratefully acknowledge the telephonic interview of July 29, 2004 with Examiner Kuhns. During this interview, Examiner Kuhns stated that the instant application has been internally reviewed at the Patent Office. The internal review indicated that the instant application may overlap for obviousness-type double patenting with commonly assigned U.S. Pat. No. 6,740,281 B2, iss. May 25, 2004 to Pinyayev et al. Without agreeing to the Patent Office's position, Applicants respectfully note both cases have a common filing date of March 4, 2002. Accordingly, Applicants respectfully enclose a terminal disclaimer over the '281 B2 patent. It is believed this terminal disclaimer clears the double patenting question.

Applicants respectfully request the terminal disclaimer be entered and a Supplemental Notice of Allowance be issued. Applicants again gratefully acknowledge the telephonic interview with Examiner Kuhns.

Respectfully submitted,

The undersigned is empowered to act on behalf of the assignee.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Authorization is given to charge Deposit Account No. 16-2480 for the fee required under 37 C.F.R. §1.20 (d) for submission of this Terminal Disclaimer. A duplicate copy of this correspondence is enclosed to facilitate charging of the fee.
